

"Painted with Heart"

This design is painted on a mottled background. I found it easier to use a sea sponge and thin paint to achieve this background.

Supplies: Deco Art Americana acrylics
Antique Mauve, Burnt Umber, Buttermilk, French Grey
Blue, Hauser Light Green, Plantation Pine & Soft Black.

Brushes:

#3 round, 10/0 script liner, #2, 4, 6 #8 flat & 3/4-1 in. wash.

Misc.

Sea sponge (for Mottling process) and regular painting supplies. Extra hair dryer would be handy.

Surface:

Memory box or surface of your choice, sealed and base coated in Buttermilk before class.

This design is by Jamie Mills-Price and is in the Aug. 2002 Q& E Painting magazine. If you have it, bring it with you..

Please have patience with me, this is my first attempt to teach!!!
