

January 2011 Project
Teacher: Cindi Creswell

Instructions for Tile Project

Supplies:

white graphite paper
tile - Rialito terra 4X4 (at Lowes) will have some at meeting and cork back
(3 tiles and cork for \$3.00)
#6, or #8, or #12 flat or angle brush. a favorite you use with a good edge
liner 10/0

Colors

I used American, if you don't have them, I'll have some available to use.
napa red
black green
antique rose
black plum
hauser med green
hauser dark green
straw or similar yellow
gold - not dark or you won't see it.
dioxin purple (optional)
cranberry red (optional)

If ambitious, base coat tile with black green, (note: tile reacts to the weather, if cold may streak. or create holes from paint) First coat should be even and light, DRY than apply second coat, remember to get into the grooves. Refer to tile from Christmas party. Use pattern from newsletter, trace than apply to tile with white graphite paper. Add gold lines. (2) only on side and bottom. If you really want to be ahead of the pack, base coat petals in antique rose. You can bring other reds that you like. See you at the meeting
